Service will be kept up until the open-

AT THE LAGOON.

President Bamberger is making improvements at the Lagoon on a big scale. The new electric meters will be here shortly and the rolling stock femerally will be improved. The company is spending a lot of money on the grounds and one of the features will be the zoological madens. Work was being pushed yesterday on the new electric light plant, power for which will be obtained from a high line ditch. The work of setting out shrubbery, trees and flowers is now in progress, and the lake is being colarged, the company having purchased a lot of lard in addition to its heldings last year.

Year.

The Larmon opening will not occur
until the latter part of May.

The managers of the three resorts
are counting upon an immense business this year, and every effort will
be made to popularize them, both by
reducing the cost and adding attrac-

tions.

In a short time bids will be called for the various privileges, and those who have had experience in these things are anxiously awaiting the call.
